

## Lesson 10: Resource 1

# Student survey – Whole class activity

## COMPULSORY – Please report to AMGA

Ask the children the following questions and document the answers.

Complete online here: <https://www.surveymonkey.com/r/MushroomSurvey2>

Compare the results with lesson 1 survey – to show the students how their attitudes and knowledge has changed.

- 1. How many students are participating in this survey?**
- 2. Tell me what you now know about mushrooms (new knowledge)**
- 3. Tell me what you now wonder about mushrooms (inquiry and questioning)**
- 4. If an apple is a fruit and broccoli is a vegetable. What is a mushroom?**
  - How many answer fruit
  - How many answer vegetable
  - How many answer fungi (correct answer)
- 5. Have you ever TASTED a mushroom before?**
  - How many say yes
  - How many say no
- 6. In your family, how often do you EAT mushrooms?**
  - How many say every week
  - How many say only sometimes
  - How many say never
- 7. Are mushrooms yummy?**
  - How many say yes
  - How many say no
  
  - If yes, what is their favourite mushroom dish?
  - If no, ask why.

**Please send survey responses to:**
